

## **Interior Design Society & Mydoma Announce Partnership Deal**

OTTAWA, Ontario, November 9, 2023 - Mydoma, a leading software platform for interior designers, and the Interior Design Society (IDS), one of the country's largest design organizations dedicated to serving the residential interior design industry, have announced a groundbreaking partnership. This collaboration aims to provide both IDS members and Mydoma users with exclusive benefits to enhance and grow their interior design businesses.

### **Special Offer Details:**

**For IDS Members:** All members of the Interior Design Society can benefit from a 20% discount on any new subscription to a Mydoma plan, whether they opt for a yearly or monthly subscription.

**For Mydoma Users:** Individuals using the Mydoma platform who wish to join IDS for the first time can enjoy a 20% discount on their inaugural year of membership. This offer is applicable to both Associate and Professional membership tiers.

"A partnership with Mydoma is a natural fit," says Jenny Cano, Executive Director at the Interior Design Society. "By working together, IDS will further develop our mission to support residential designers through providing exclusive access to cutting edge tools and resources."

"Mydoma has always been about simplifying and enhancing the interior design process," says Sarah Daniele, CEO of Mydoma. "By collaborating with IDS, we hope to further support designers in their journey, both in terms of professional growth and networking opportunities."

This partnership symbolizes the shared vision of both organizations: to support and nurture the community of interior designers and provide them with the resources and tools they need to excel in today's competitive landscape.

### **About Mydoma:**

Mydoma is a premier software business management platform for interior designers, offering robust project management, client collaboration, and presentation tools to streamline the design process.

### **About the Interior Design Society (IDS):**

The Interior Design Society is a nationwide organization committed to promoting professionalism, community, and education among its members and the wider design industry.
